GLIMPSES.....

GUNDECHA EDUCATION ACADEMY (IGCSE).....GLIMPSES

National park

Student-" I got to learn about kanheri caves, Buddhism, the inscriptions and about the endangered species". – Parth Doshi

Student-"this was one field trip in which All our subjects : English, Math, Science ,E.E and social studies were successfully integrated. "-Aryaman Gupta

Elections for CR

Student-*“lovely experience for us. It also improved our confidence”*.- Prittika Thakkar

Parent- *“It was an activity out of the box for the students to understand the responsibility and qualities of a class representative. It teaches the non-participants to inculcate the qualities necessary.”*-Avniee Thakkar

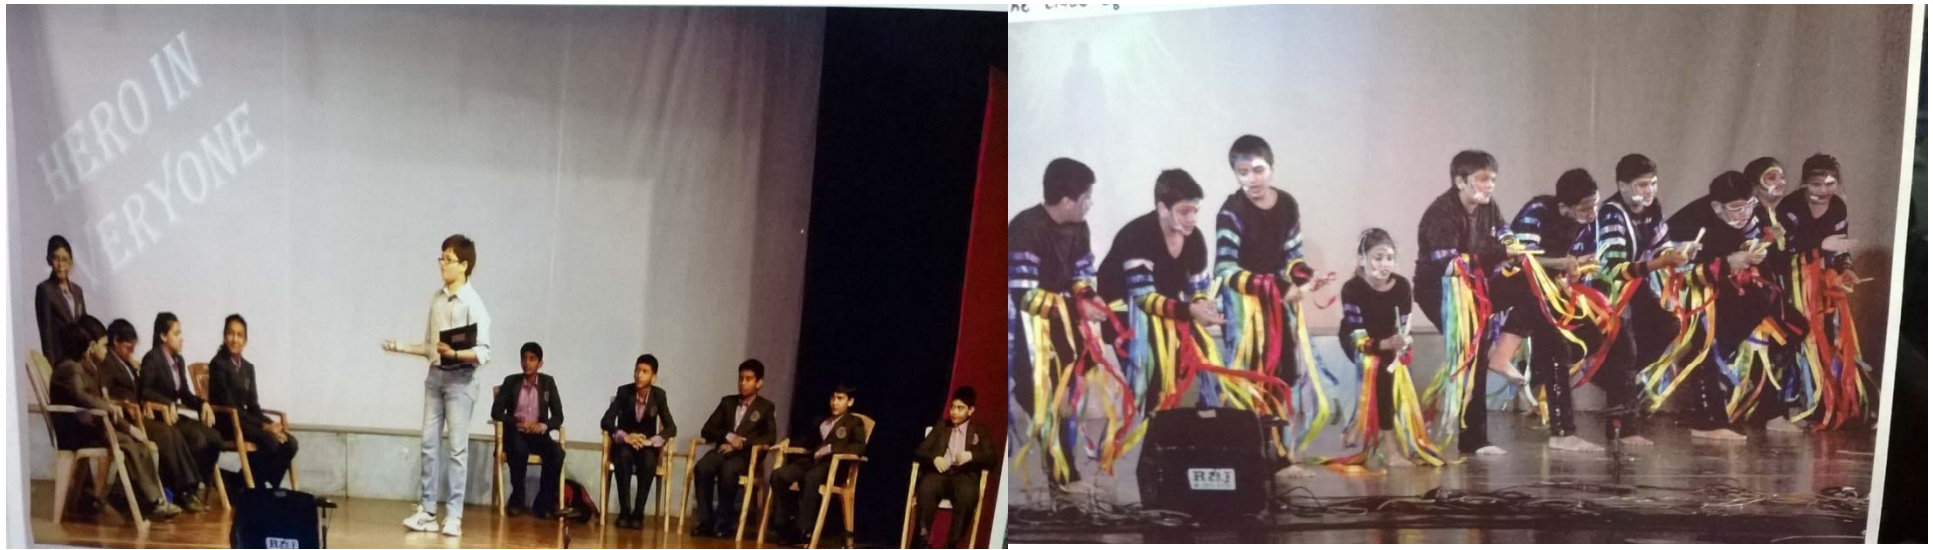

National Association for the Blind

Parent-*"My child was touched by this field trip. He is able to understand the value of things and God's gifts. He also understands the value of living in a free country."*-Ms. Ami Doshi

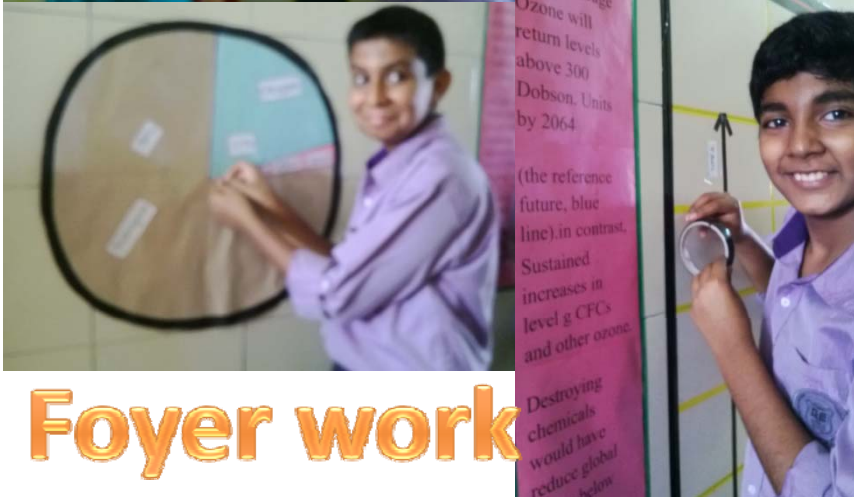

Parent-*"he has asked us and all his friends to donate their eyes."*-Ms. Maheshwari.

ANNUAL DAY

Student- “we performed an intense play before the entire school. It was one of the best skits we had ever done and we received a big round of applause, the theme related to the unsung heroes of India”.- Jay Kanchankoti

Parent- “a lot of energy was seen amongst the children.”-Ms. Mugdha Pataki

Foyer work

Parent-“Good, creative endeavour. A school term starting with such an activity gears up the kids’ energy towards studies”.-Mrs. Ami Doshi

*Student-“Great initiative on the part of the teachers to help us learn things practically and patiently. It also encouraged teamwork.”
-Aryaman Gupta*

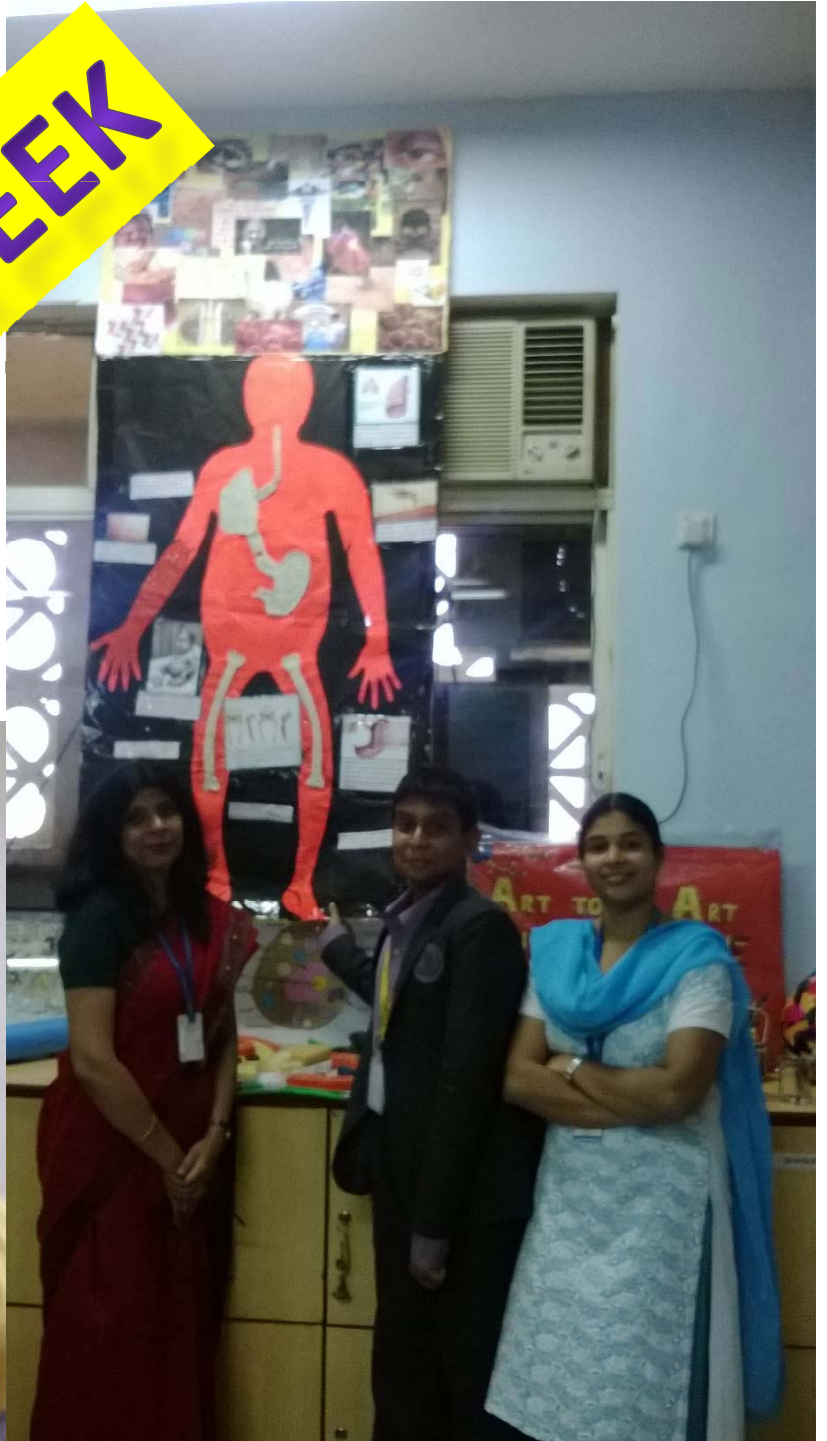

PEAS

Student- "it was a great leap forward. With the help of my teachers and Madan Sir, it resulted in the success of our team."-Jay Kanchankoti

Student-"we learned the art of face painting and we loved it."-Rishikesh Sonawane

HEALTH WEEK

Keshav Shrushti

Parent- *“he learnt how to cook in a solar oven. He is so convinced that solar energy is the best way to save electricity”*
-Mrs. Madhu Kavadiya

Student-*“I was truly very excited at the thought of participating in the world’s largest solar oven cooking class.”*-
MissAnoushka
Rao

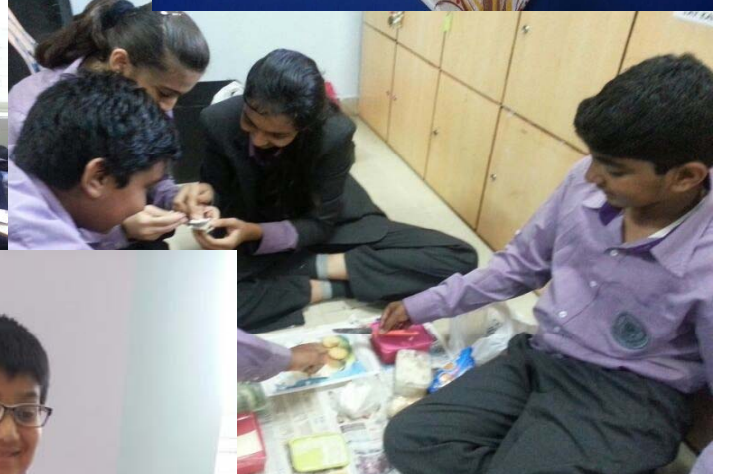

Teacher- *“We believe in inculcating environment friendly activities.”*-
Ms. Payasee Mukherjee

Parent – *“I think these kind of field trips will encourage the students to have a greener tomorrow .”*-Ms. Daga

Science with
fun

Questionnaire with the manager of McDonalds, Mr. Mudilaya.

“I was surprised when my daughter was home with a bag of Big Bazaar in her hand .She had told me how she had spent Rs.500 and about everything she happened to learn.” – Mrs Daga

OPEN HOUSE

Student- “firstly I would like to thank all our teachers who thought that we are capable enough to present our field trips in the form of power point presentations. It was a great effort from all the teachers and students, it was a splendid experience”.- Shagun Modi.

Teacher-” it was indeed an open house – with a difference where the children got the opportunity to display their curriculum in different forms .”- (IGCSE-teacher)

Student- “My speaking skills improved and my fear of talking in front of people is gone...”- Manan Maheshwari
