

GUNDECHA EDUCATION ACADEMY **Date: 4th July 2011**

11th National Cyber Olympiad (NCO) (Std II to XII) on 8th September 2011
14th National Science Olympiad (NSO) (Std I to XII) on 17th November 2011
5rd International Mathematics Olympiad (IMO) (Std I to XII) on 8th December 2011

The objective of holding these examinations is to assess how far the Math Concepts, Science Concepts and Computer related Concepts included in the syllabi of previous years and present year have been assimilated by the students.

Registration fee is Rs. 100/- for each Olympiad.

Work Books can be obtained for following examinations for the amount given below **(Optional)**

National Cyber Olympiad (NCO) Workbook (Rs. 40/-)

National Science Olympiad (NSO) Workbook (Rs. 50/-)

International Mathematics Olympiad (IMO) Workbook (Rs. 50/-)

No work book/study material is available for std XI std XII.

Students of class XI & XII can opt for Mathematics or Biology in NSO.

Additional information may be obtained from the website www.sofworld.org

All students of classes I to IV will get the brochure (acknowledgement slip) in the class whereas students of class V to XII may collect the brochure (acknowledgement slip) from the school office.

Thank You,

(Principal)
