

Gundecha Group of Schools: Nurturing Academic distinction with Indian Values

In the bustling metropolis of Mumbai, where education options are vast and diverse, one name stands out for its commitment to imparting holistic education infused with Indian values - the Gundecha Group of Schools.

With an unwavering commitment to provide quality education and a forward-thinking approach, the Managing Trustee, Poonam Gundecha has transformed the Gundecha Group of Schools into centers of academic distinction. Her leadership is characterized by a strong conviction that education should not be a privilege but a fundamental right for every child.

Flagship Academic Growth: Gundecha Education Academy, Kandivali

The story begins in 2004 when the Founder Trustee, Late Mamta Gundecha, had a vision to create a school that would set new standards in education. Since its inception, this school has been dedicated to providing a well-rounded education that goes beyond textbooks and classrooms. The Branch of Gundecha Education Academy, presently with strength of 3500 students, strives to give best results for Grade X ICSE and Grade XII ISC since past 15 years.

One of the crowning achievements came in the year 2023 when two of its students secured third position in the National Merit list, a testament to the school's commitment to academic merit.

Gundecha Education Academy, Oshiwara Branch: A Rising Star

In 2018, the Gundecha Group extended its educational endeavours

by opening their second branch in Oshiwara. The school's commitment to quality education quickly gained recognition, and in its very first year, it was bestowed with the honour of being one of the top most emerging schools in Mumbai survey published in Times School Survey 2022 by OMS (A Division of

Times Internet Limited), a research by i3rc insight pvt. ltd. Remarkably, the first batch of students from the Oshiwara branch passed their ICSE examinations with flying colours.

Gundecha Education Academy, Borivali Branch: A New Beginning

In 2022, the Gundecha Group expanded its reach further with the inauguration of its third branch in Borivali. In the first year itself it was awarded top emerging school in Mumbai.

The Institution stands out for its commitment to provide students with state-of-the-art facilities that go beyond traditional education. These schools have redefined the educational experience by offering air-conditioned class rooms, well equipped laboratories, extensive libraries, playground facilities, dance rooms and music rooms equipped with musical instruments like guitars, keyboards, tabla and harmonium. All these add up to an international dimension to teaching and learning.
